"Tour includes 3.5 days of guided rock art site visitation. Full day visits will begin at 9AM and terminate at about 3PM, depending on weather conditions. Participants are responsible for own transportation to Holbrook (carpools possible,) hotel (Howard Johnson recommended), Park pass and food. Daily hikes up to 5 miles requiring sturdy hiking shoes, hiking sticks, and plenty of water. You are not confirmed for this trip until payment is received. There is a KOA campground in the vicinity.

**Hiking conditions are considered difficult, requiring rock scrambling and loose footing in a desert environment."**

**This trip is a Non-TAS sponsored trip. The participants take part in the activities at their own risk.**
